

Cookie Policy

A cookie is a small text file that is stored on your device when you visit our website. We use cookies to differentiate users and to enhance your experience by keeping the website updated, relevant, and error-free.

We may use the following types of cookies:

- **Strictly Necessary Cookies** – Essential for the website's core functionality.
- **Analytical/Performance Cookies** – Help us measure and analyse visitor traffic to improve website performance.
- **Functionality Cookies** – Remember your preferences and recognize you when you return.
- **Targeting Cookies** – Track your browsing activity, including pages visited and links clicked, to personalize content.

Additionally, we may monitor website traffic and collect data about referral sources to understand where our visitors are coming from and optimize our services accordingly.
